The Reading Carriage Sale – Wednesday 2nd May 2018

As of 26th April

N.B. A 'V' before the lot number denotes the item is carrying VAT

VEHICLES

- 1 CORN GRINDER, CR-No.3 has been included with the Single Reversible Plough
- 47 GYPSY CARAVAN built by F. J. Thomas of Chertsey. Purchased by the vendor 10 years ago from Mrs Pat Cook, a famous Scurry driver and daughter of the late George Mossman. Providence of this caravan was used in the 1983 film Hounds of the Baskerville, with Sherlock Holmes as the gypsy sitting on the right hand side of the footboard.
- 48 IRISH DONKEY BOX CART built in Cookstown, Northern Ireland to suit 11 to 12 hh; painted green
- 49 TWO-WHEEL GENERAL/MARKET CART to suit 14 to 15 hh; painted blue with white lining
- 50 VICTORIA built by VDI Exports of Patiala, India to suit 14.2 to 16 hh single/pair; painted white with a matching folding hood, and red damask upholstery. On 12/14-spoke Warner wheels with elliptic springs. Fitted with a hand brake, mud guards, lamp brackets, and a spares box. Comes with a pair of carriage lamps, shafts, pole and splinter bar
- 51 EXERCISE CART
- 52 TWO-WHEEL EXERCISE CART by Bennington Carriages to suit 15.2 hh; with back step and adjustable shafts
- 53 EXERCISE BREAKING CART, a heavy sturdy vehicle to suit 12 to 16 hh; with metal mud guards
- 54 ROOF SEAT BRAKE built by Mendyka to suit a full size pair or team; painted dark blue with red lines and louvres, on a perch undercarriage with leaf springs and English pattern wheels. There are three rows of forward-facing upholstered seats for passengers accessed by metal foot plates, and a rear boot containing cellarettes with brass handles. Fitted with a hand brake, lamp brackets, whip holder and swingletree. Comes with a pole but no team bars. The basket and horn case shown in the photo are not included
- 55 OPEN LOT WAGON painted in the traditional colour of burgundy with gold leaf decorations of fruit and horses' heads, and lines and scrolls in red/green and cream. On a yellow undercarriage with iron shod wheels and semi-elliptic springs. There is a small bay window at the rear of the wagon beneath which is a cratch with a canvas cover matching the roof, and a decorated pan box. The interior includes a bed, cupboards and drawers, and a Queenie stove, and is finished in natural varnished wood and decorated. Fitted with screw brake, and comes with steps, shafts and stands
- 56 MINIATURE SHETLAND CART with renewed wheels ironed rims painted in yellow lined out in blue and red and green. Lovely little vehicle
- 57 SPINDLE BACK GIG built by Slack Bros., Manchester circa 1900 to suit 15 to 15.2 hh; a quality show vehicle painted black with gold and red lining and beige Melton trim. On 16-spoke wheels with semi-elliptic springs and stamped brass hub caps. Fitted with patent leather dash board and mud guards, and brass rein rail.
- 57A A pair of square fronted carriage lamps to suit lot 57 will be offered separately
