## **CONTRACTORS PLANT AND EQUIPMENT - READING AUCTION 9<sup>th</sup> FEBRUARY 2017**

A very busy start to the year and at present all the signs for the trade are positive. From a slow start the yard ended up packed. A very varied entry with some choice late machines on offer which sold at a premium. Plenty of 2013-15 machines created interest. Star of the day without doubt was the 2015 Hitachi ZX130 sold at £58,500. A marvellous trade throughout with generators & compressors in particular in high demand. Shorter on medium to small plant than usual.
